

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON, D.C. 20370-5100

MEH:ddj  
Docket No: 5452-00  
21 November 2000

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 21 November 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 1160 PERS 815 of 11 October 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR CHAIRMAN, BOARD FOR CORRECTION OF NAVAL RECORDS

Via: PERS-00ZCB

Subj: BCNR PETITION ICO [REDACTED]

Ref: (a) SNM's DD Form 149 dtd 18 Jul 00  
(b) NAVOP 081/88  
(c) NAVOP 052/88

Encl: (1) BCNR File

1. In response to reference (a), recommend disapproval of the petitioner's request.

- The petitioner received BUPERS orders to the USS BRISCOE to transfer in October 1988.

- The petitioner reenlisted on 17 October 1988 for four years and received a zone "A" SRB entitlement for the GMM(0000) rate offered in Reference (b). Reference (b) listed the zone "A" SRB entitlement for the GMM(0000) rate at the 1.0 award level.

- The petitioner requests to backdate his reenlistment of 17 October 1988 to June 1988 and receive the zone "A" SRB entitlement for the GMM(0000) rate at a higher award level.

- Reference (c) released 5 May 1988 listed the zone "A" SRB entitlement for the GMM(0000) rate with an award level of 1.0.

- The petitioner will not benefit from changing the date of reenlistment because the award level for the GMM rate remained the same within timeframes.

2. In view of the above, recommend petitioner's record remain as is.

3. This is an advisory memorandum to reference (a) for use by the Board for Correction of Naval Records (BCNR) only. Enclosure (1) is returned.
